

# Pineapple Pumpkin *Enzyme Peels*

## OVERVIEW

This peel brightens skin for a more youthful, even glow. Lactic acid has been shown to reduce the appearance of fine lines, wrinkles, and age spots. These peels are a great option for those looking to increase their skin's natural hydration and glow. Lactic acid should be considered by those with drier, more sensitive skin types or mature skin.

## BENEFITS

- Pineapple extract naturally contains alpha hydroxy acids (AHAs) that deeply exfoliate the skin. Natural enzymes, such as bromelain, eat away at dull, dead skin cells to resurface and refresh skin. It is rich in vitamins C and E which help to improve hydration and helps maintain a clear, bright complexion.
- Pumpkin includes a variety of nutrients, antioxidants, and essential fatty acids. Beta-carotene has been shown effective in helping skin conditions such as dry skin, eczema, and psoriasis, while vitamin E, A, and C boost moisture and repair damage. It contains natural acids and enzymes that encourage cell
- Lactic acid is an alpha hydroxy acid, and best for dealing with pigmentation issues. Lactic promotes the stimulation of collagen while increasing cell turnover rate, for a more brightened and balanced texture.
- Glycolic acid is an AHA that is best for improving texture and reducing the appearance of fine lines and wrinkles. Derived from sugar cane, glycolic acid's anti-aging benefits come from its small molecular size that can deeply penetrate the skin. It's useful for a host of skin conditions from pigmentation issues,
- Glycolic penetrates the skin and breaks down the bonds between your skin cells allowing for better exfoliation and rejuvenation. The acid stimulates collagen production and promotes cell turnover in the stratum corneum, the outermost layer of your skin, which leads to brighter, smoother, and more even-toned.

## Ingredients

Deionized Water, Glycolic Acid, Lactic Acid, Carica Papaya Fruit (Papaya) Extract, Ananas Sativus (Pineapple) Fruit Extract, Cucurbita Pepo (Pumpkin) Seed Extract, Cucumis Sativus (Cucumber) Fruit Extract, Camellia Sinensis Leaf (Green Tea) Leaf Extract, Matricaria Recutita (Chamomile) Flower Extract, Symphytum Officinale (Comfrey) Leaf Extract, Octoxynol 10, Hydroxyethylcellulose, Fragrance, Propylene Glycol, Phenoxyethanol, Ethylhexylglycerin

## Main Ingredients

Glycolic Acid  
Lactic Acid

## Performance Ingredients

Pumpkin  
Papaya  
Green Tea  
Chamomile  
Comfrey  
Cucumber

## Available Sizes

1 fl oz. e 30mL

## Available Strengths

Pineapple Pumpkin Enzyme 10%, Daily-use - pH 3.5  
Pineapple Pumpkin Enzyme 30%, Level 1 - pH 1.9-2.2
